[] Clostridium septicum [] West Nile virus
[] Deer adenovirus [] Other:

Table with 4 columns: CAHFS, Davis; CAHFS, Turlock; CAHFS, Tulare; CAHFS, San Bernardino. Each column contains contact information for the respective location.

I understand that specimens submitted are the property of CAHFS. Client information provided to CAHFS, and the tests results from samples submitted to CAHFS, will be treated as confidential information consistent with applicable legal standards, including, but not limited to, California Business and Professions Code section 4857 and Evidence Code section 1040. Client information and test results are automatically provided to the veterinarian listed on the submission form. This information will not be divulged to third parties without written consent of the client, except when required by law, which includes requirements that test results be provided to regulatory agencies. University, its officers, employees, and agents shall not be accountable for any loss, expense (including attorneys' fees), damage, or liability of any kind resulting from or arising out of services provided hereunder unless caused by negligent or willful acts or omissions by University, its officers, employees, or agents.
